

## **FEEL THE PEACE CORPS**

### **On Our 50<sup>th</sup> Anniversary**

You care. You join. You give

You find it complicated to help

You receive

You expand with extraordinary people

You discover friendship and intelligence

You rejoice

Your stuff is lost and broken

You re-learn it is just stuff

You cope

You speak with a new voice

You listen with open ears

You hear for the first time

You grow new wings

You see with new eyes

You start a new chapter

Feel, give, help, expand, receive

See, hear, discover, cope

Speak, listen, learn

Grow, start

Live...

The Peace Corps—Life is never the same
